Dear Mr. Terreni:

Subject: Request for Information
Ref: Progress Energy Petition No. 2004-219-E
"Mutual Release" dated Sept.18, 2007 by and between
Progress Energy and the Undersigned.

I have received several communications from the Hearing Officer, and shall respond in due course. Meanwhile, I request your response at your earliest convenience to the following request.

1. **What is the Commission's legal obligation under current statutes, if any, to order connection of electricity to a residence in response to a Medical Certificate Necessity?**

See attached copy of Dr. Wallace's Certificate dated October 12, 2007.

This is a repeat of the same question posed in an earlier request, to which I still have not received a response.

This question is posed aside from the Mutual Release document of which you have been apprised.

2. **If possible, what is the approximate date that you ^{shall} ~~expect~~ to hold the hearing (if 10/17th) ^x on the change of provider Application I have filed?**

Please note that I have two surgeries scheduled and I need to coordinate the events with the Commission Hearing and several motions filed with the Dillon Court.

Your kind consideration for a prompt response would be greatly appreciated.

Thank you.

Encls: Medical Certificate of Necessity dated OCT. 12/07 - IGNORED NO DATE - it is SIX weeks.

Sincerely,

Beatrice Wallenstein
(aka Beatrice Weaver)

RE: RE: Beatrice Weaver

To Whom It May Concern:

Beatrice Weaver is presently preparing to have surgery. Postoperatively she is going to have post op care that will require electricity. I feel that it is of necessity that she receive electricity as soon as possible.

If further information is need, please feel free to call or write.

Sincerely,

Phil Wallace, MD
